FINANCIAL INFORMATION

Tuition is expected to be paid in full or in an approved installment plan one month prior to the program start date. There is a \$100 non-refundable registration fee due at the time of registration. Once a student is one month into the program, no tuition refunds will be given. Acceptance into the program is based upon the date of the receipt of a complete application package. Once the maximum number of applications have been received, subsequent applications are placed on a waiting list.

The workshop package includes an Ayurveda manual, Ayurvedic foods, Ayurvedic oils, Ayurvedic skin care products, training, and post-training under personal supervision.

The cost of tuition is \$3,485 plus the non-refundable registration fee of \$100, making it a total of \$3585. However, if paid up front before the deadline, a discount of \$300 is applied making it a total of \$3,285.

Financial Assistance is available in the form of a customized interest free installment payment plan which our students find helpful in managing their financial obligation in a month-to-month arrangement.
